

Teen Center Agreements

Last Updated: 05/16/2023

In order to foster a space that is safe, inclusive, and positive for everyone, we ask Hamden's teens to adhere to the following agreements:

- I will** follow the Teen Center structure: Get Here, Get Smart, Get Social, Get Going.
- I will** only eat at designated times and in designated areas.
- I will** only drink from re-sealable bottles.
- I will** respect library property and the property of the other teens in the space.
- I will** keep my hands to myself, including PDA, play fighting, and one person per chair.
- I will** use respectful language while in the library.
- I will** wear appropriate clothing, including shoes.
- I will** pick up my space to keep the Teen Center clean for others.
- I will** use an indoor voice and use headphones when listening to media.
- I will** respect staff, other patrons, and fellow teens, with my words and actions.
- I will** abide by all official Hamden Public Library policies.

I may receive up to two warnings or be asked to leave at any time for violating any of these agreements. I can be warned or asked to leave by any adult who works in the Teen Center or the library. When asked to leave, it means leaving the Teen Center as well as the library building.

Questions or concerns should be addressed to Jenny Nicoletti, Teen Librarian.
